

AASHE

Aashe's LED Linear **adjustable** High bays are unique in their class, patent adjustable (30° adjustability) design makes it versatile in market place, It's equipped with latest LED's technology with superior efficacy of **160LM/W**, best optics to provide precise illumination at required space, three different optics 60°, 90° and 120° for various applications from warehouses to multipurpose halls, rugged construction made it suitable for harsh environments, available with three different mounting options as suspended with chain, rod or surface mount with bracket.

Material- Aluminium and metal sheet housing powder coated white paint with UV resistant PMMA cover

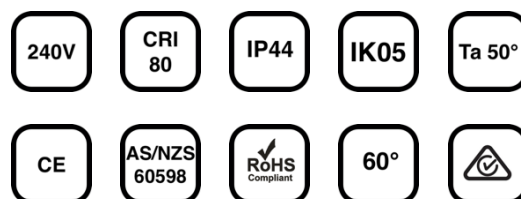

LED source- SMD2835

Efficacy- 160lm/W

Input voltage- 100-277V 50/60Hz

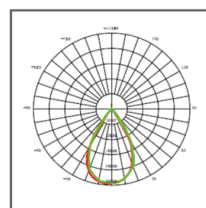

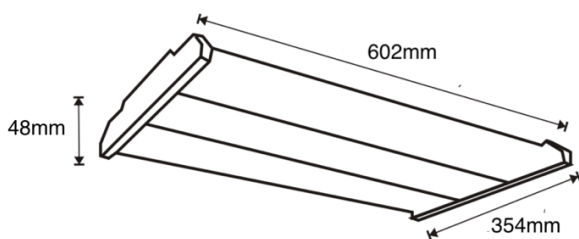

Life: 103,000 Hours L70

Warranty: 5 years
