

URSA

Ursa's LED Linear High bays are best performer in their class, sleek design makes it ideal for multipurpose applications, It's equipped with latest LED's technology with superior efficacy of **135LM/W**, symmetric and asymmetric optics for open space or racks to provide precise illumination at required space, rugged construction made it suitable for harsh environments, available with three different mounting options as suspended with wire, fixed or adjustable surface mount brackets.

Material- Aluminium alloy body with electrophoresis treatment.

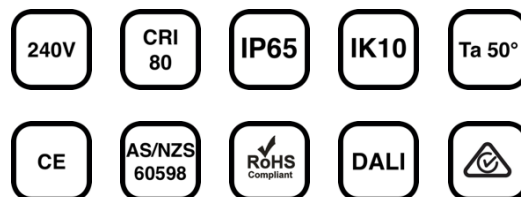

LED source- SMD

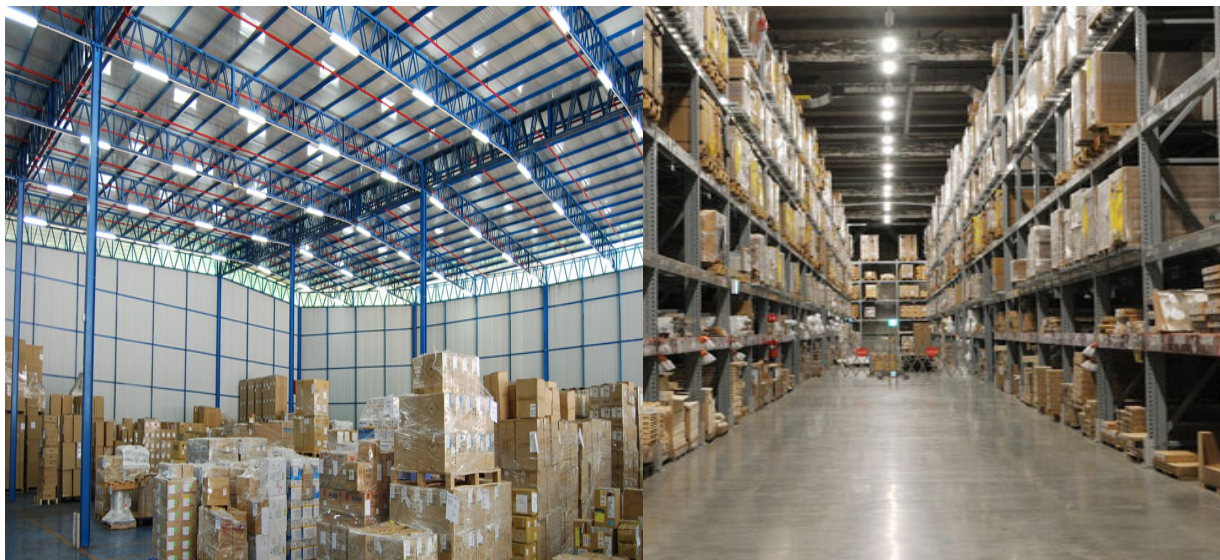

Efficacy- 135lm/W

Input voltage- 100-277V 50/60Hz

Life: 103,000 Hours L70

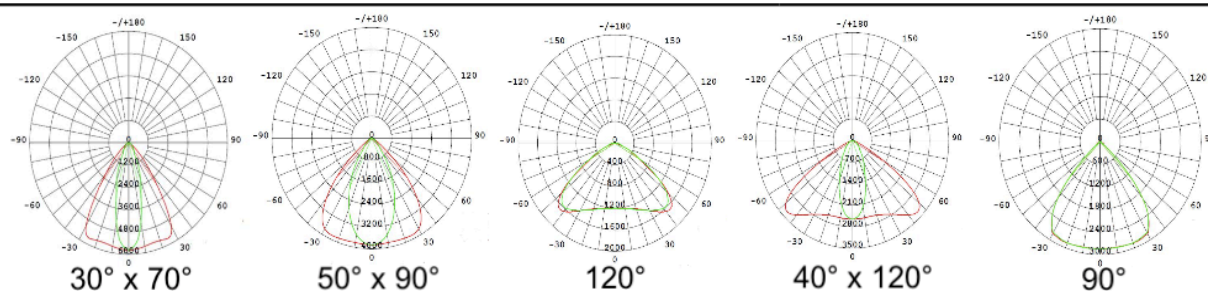

Warranty: 5 years
