

## DOT

Dot is a family of miniature in-ground LED luminaires, robust structure makes it ideal for outdoor and indoor applications, available with honeycomb louvre or ribbed optical lens, equipped with best optics in order to create the optimum illumination for features or ideal to use as path lighting, sealed profile with IP67 rating and IK08 resistance, factory fitted male/female connectors for quick installation at site.

**Material-** Marine grade Stainless steel trim, aluminium housing with high corrosion resistance.

**Glass-** Tempered glass diffuser

**Efficacy-** 84lm/W

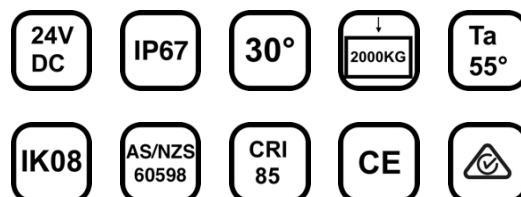

**Finish-** Silver anodized finish

**Input voltage-** 24V DC

**Dimming-** PWM, DALI

**Life:** 50,000 Hours L70

**Warranty:** 3 years
