

TUFF

Tuff's LED flood lights are robust and best performer in their class, sleek and modern shape made it easy for self-cleaning, best optic to provide precise illumination at required space without unnecessary glare, multiple beam angles options from narrow to wide with symmetrical or asymmetric lens, ideal for large indoor areas or outdoor applications, external vent to avoid internal fogging and frosting, rugged construction made it suitable for harsh environments, choice of five different sizes and wattages to make it versatile luminaire, suitable for wall or pole mount applications.

Material- Rugged aluminium alloy, resistant to saline environments and corrosion, tempered glass diffuser

LED source- SMD

Efficacy- 125lm/W

Input voltage- 220-240V 50/60Hz

Surge protection- 6KV - 12KV

Life: 54,000 Hours L80/B20

Warranty: 5 years
